

Maryland Responds Medical Reserve Corps

Alert

Date/ Time: 2/16/2015, 1500

Weather updates:

The National Weather Service (NWS) has issued the following weather statements:

- Winter Storm Warning:
 - Frederick County/East
 - 6 PM This Evening until Noon Tuesday
 - 5 to 8 inches, heaviest occurring between 10 PM and 5 AM
- Winter Weather Advisory:
 - Washington County/West
 - 4 PM Today until Noon Tuesday
 - 3 to 5 inches, heaviest occurring between 7 PM and 1 AM
- Anything that falls will stick. Temps will be at a high of 20 degrees (and lower).
- Late tonight and into early Tuesday morning will have the heaviest snowfall.
- Mid to late morning on Tuesday will have storm winding down.
- Find the latest weather forecast and advisories on the NWS website:
<http://alerts.weather.gov/cap/md.php?x=1>.

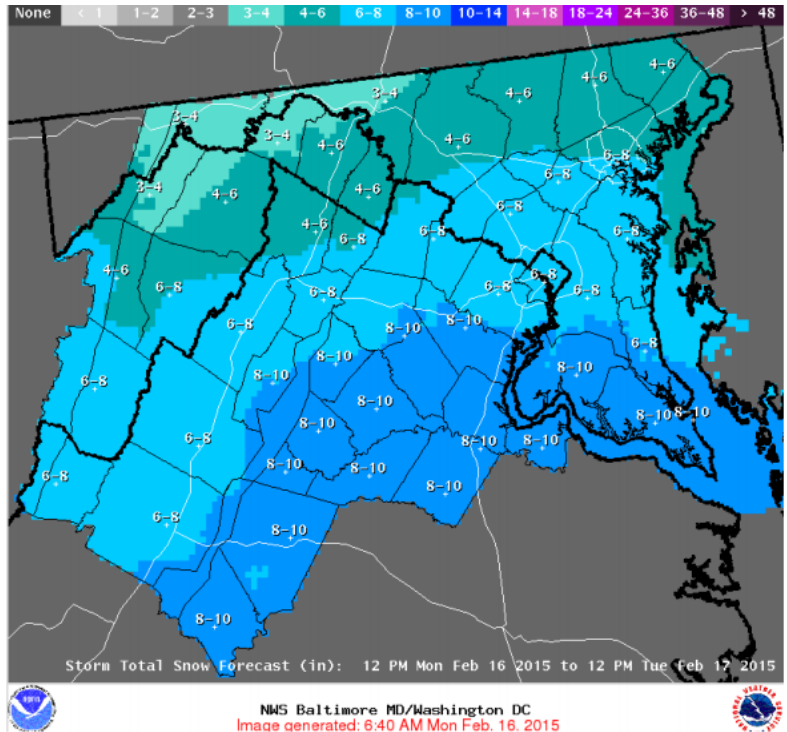

Figure provided by NWS. Places in Northern MD could get much less snow than the southern part of the state.

Maryland Responds Medical Reserve Corps (MRC):

- At this time, there have been no request for volunteers. Monitor your communications as mass care shelters may be opened due to power outages.
- If volunteer assistance is requested, you will receive an activation notification. To prepare:
 - Login to your profile to update contact information: www.mdresponds.dhmh.maryland.gov.
 - Complete your journey to deployment eligibility: bit.ly/MDRMRCDeploy.
- Review your emergency communications plan and emergency supply kits (homes and vehicles). Visit the OP&R Cold Weather Fact Sheets page for more information: <http://1.usa.gov/1bMGISx>.
